**My Volunteer Opportunities  
For 2013-2014**

**Expressing our faith in Jesus Christ takes many forms, both in daily life and in our life together as a congregation. Upholding our congregation's mission requires more than financial commitment from our members.**

**Each year, the officers of our church design programs and ministries for the purpose of growing and operating our church and furthering Christ's mission both within our church, and outside, as well. This form lists areas where you can become involved in the life and talents for 2013-2014. Most areas of the church's life and mission are listed here. Please consider carefully and prayerfully how you might volunteer. Thank you!**
