ONLINE VIEWING OF WORSHIP SERVICES, CLASSES, AND MEETINGS

Sunday worship is through BoxCast, a professional live streaming application.

To get the BoxCast video: From the website home screen (apchumble.org) –click on the "Our Next Live Broadcast" link or anywhere on the picture with the count-down clock showing the time remaining to the start of the broadcast. When the play button appears in place of the count-down clock, click on it and the broadcast begins.

Click on the red "HELP – How to View BoxCast" if you need assistance. Note that you can put the mouse cursor on the video (on a computer) or touch the video (on a phone or tablet) to show the control bar and from there you can enlarge the video to full screen, pause it, or adjust the volume.

If you're a little late arriving or want to watch later, you can view the entire broadcast from the beginning. Use the chat screen to the right of the broadcast or email us (youbelong@apchumble.org) to let us know that you're watching or give us feedback.

If you would prefer to watch the worship service on your big screen TV and have a Roku, Apple TV, or Amazon Fire TV stick attached, you can add the BoxCast Channel, open that channel, and search for "Atascocita" to view the broadcast.

All meetings and Faith Formation classes are via ZOOM. A change in their security protocols require either a passcode or a waiting room to gain entry.

Shelley's and Doug's Faith Formation classes now have waiting rooms when you first enter the meeting. The meeting host will release you from the waiting room and admit you to the meeting.

All other ZOOM meetings require a passcode. The meeting passcode is shown next to the meeting link on the church website.

Any time there are technical difficulties in connecting to worship services, please know that those services are available for viewing on the website on the "Worship" tab, drop-down menu, "Worship Services and Devotional Archives."
